

ONE HAND MILLS

Need an extra hand spicing up that three-course meal you're preparing? You've got it, with the One-hand Thumb Pepper Mill! Custom crafted for busy chefs, the pepper mill's one-handed operation leaves you free to mix, stir and sauté while adding the perfect amount of seasoning with a single press.

Its stainless steel construction is both durable and attractive, and the streamlined shape makes it a great take-along for picnics or packed lunches. Thumbs up!
