

COCKTAIL SHAKER

Planning a cocktail party? All eyes will be on this beautiful, modern shaker which is an original Trudeau design. As eye-catching as it is, it's also ingenious. We've designed it with a raised rim to help you transfer the beverages precisely into glasses of all sizes. It also has an innovative integrated strainer to hold back ice and allow a consistent pour. The final touch is in the cap: we've added 1 oz and 2 oz measurement lines to use when you are creating your cocktails.
